Greetings!

As we enter the Advent season in anticipation of the birth of Our Lord and Saviour, we, the directors of Kamloops Pro-Life Society, look back on this past year and are truly grateful for the many blessings that have come our way, and particularly for those we received from you our supporters - be they in the form of numerous generous donations, prayerful support, words of encouragement, practical suggestions, or just your smile and eager participation.

Your loving support allows us to continue this valuable work which can at times appear to be fruitless, producing little effect; but we must remain hopeful and persistent, and trust that through the grace of God, hearts and minds are being changed. To once again quote Mother Teresa: “ We are not called to be successful, we are called to be faithful”.

Just as Mary looked upon her newborn son with wonder and awe, may we too look upon the arrival of God incarnate with that same wonder and awe, reflecting His magnificent gift of life and love with our family and friends and all those we encounter.

Merry Christmas and God bless you all!

In 2013, after a diagnosis of cancer, Angelina became a client of the Delta Hospice Society. When she recovered to good health she joined the Board of Directors. In 2019, she was elected the President of the Board. As of 2024, Angelina is now their Executive Director.

Over the years, Angelina has been engaged in a battle, not only to defend DHS from various levels of government and euthanasia activists who sought to destroy the organization and silence its voice, but to also advocate for authentic palliative care that commits to the sanctity of life to its natural end.
